The Insurer is not liable:

- (a) For more than the portion of any loss or damage covered by this Form which the applicable limit of this Form bears to the total amount of insurance covering against the perils of fire irrespective of whether or not such other insurance provides coverage in respect of the perils covered by this Form whether by endorsement thereto or otherwise;

Loss under any item of this Form shall not reduce the applicable amount of insurance.

13. VERIFICATION OF VALUES

The Insurer or its duly appointed representative shall be permitted at all reasonable times during the term of this Policy, or within a year after termination or expiration, to inspect the property insured and to examine the Insured's books, records and such policies as relate to any property insured hereunder. 10. REINSTATEMENT

(a) "**Replacement Cost**" applies only to "buildings", "infrastructure" and/or "contents" which are stated on the "Declaration Page(s)".

5.

(b) "**Actual Cash Value**" applies only to "buildings", "infrastructure", and/or "contents" which are stated on the "Declaration Page(s)".

The Actual Cash Value of applicable "building(s)", "infrastructure", and/or "contents" will take into account such things as the cost of replacement less any depreciation, and in determining depreciation, we will consider the condition immediately before the damage, the resale value, and the normal life expectancy. **An 80% co-insurance will be applied** to all actual cash value limits.
